

# Many Ways to Praise

Be free with praise for even minor successes; it will encourage larger successes. Be careful, however, never to be phony and praise when it isn't deserved; you will lose your credibility and the value of future praise.

**This really has flair.  
Clear, concise, and complete!  
This piece has pizzazz!  
A splendid job!  
You're right on the mark.  
Outstanding!
